DEAR IALHA MEMBERS

Welcome to the 2022 edition of the IALHA Handbook!

This digital version is an exploration into evolving and adapting this publication to our customers' preferences. One advantage this format affords is our ability to embed links in the content, making your access to additional information convenient. We hope that you find this member benefit useful and **welcome your feedback** on the Handbook's value to you, including whether continuing it digitally, or at all, in the future would be beneficial to you.

Despite the setbacks and challenges that 2020 and 2021 presented to us all, our association has continued to establish value, create community, and provide opportunities for members. Both registrations and membership increased in 2021 compared to the previous years, and as of writing this letter, 2022 volumes are continuing that trend.

We have included **Registry information, reminders, and a rate sheet** for your easy reference. Many things have changed in our operational costs since the original fee schedule was established. In order to continue to provide the level of service members expect and continue to safeguard the value that IALHA registration provides, our base rates will increase on June 1st – after having remained unchanged for 30 years. Members will still enjoy steep registration discounts and you can find more information about registering your horse at <https://ialha.org/forms/>

Participation in USEF and other **IALHA-sponsored awards programs** was healthy in 2021, and you will find the results of the USEF HOTY, Adequan/USDF All-Breed Awards, and USA Working Equitation High Point in this Handbook. Visit <https://www.usef.org/forms-pubs/Z65ejMhHv8M/horse-of-year-award-information>, www.usdf.org/awards/all-breeds/, or www.usawe.org/competitions/awards-programs/ respectively to find out more about participation in these programs in the current competition year.

A number of sanctioned breed shows came back online in 2021 and members demonstrated they were ready to get back out there and exhibit! There were more horses at the **2021 IALHA National Championship Show** than in 2019 and those results have been included here. I can't wait to see everyone and the progress they've made towards their goals at the 2022 show November 8-12 at the Will Rogers Memorial Center in Fort Worth, TX! For additional information, check out the National Championship webpage <https://ialha.org/ialha-national-championships/>

Last year the "IALHA Year End Awards" were refreshed and updated as the "**IALHA Impact Awards.**" Four dedicated members and two amazing horses were recognized for their Impact on the breeds and our community.

Watch for the call for nominations later this year and be sure to nominate a member or horse you feel has had a positive impact for the 2022 Impact Awards!

The IALHA **High Score Ribbon program** was a great success as well and many folks were recognized for achieving the highest score at their local open shows. Ribbons can be requested by a show secretary at <https://ialha.org/ialha-ribbon-program/> and are distributed annually while supplies last.

The IALHA **Lifetime Merit Achievement** award program has undergone a major refresh recently as well. We hope that this update and renewed emphasis will encourage participation. You'll find that information here in the Handbook and at <https://ialha.org/programs-awards/>

The IALHA **Calendar Photo Contest** will be held again this year! Anyone may submit photo(s) of an IALHA registered horse (or a foal with IALHA registered parents). Thirteen winners will be selected from the submissions by the Calendar Committee. The contest will open on National Camera Day, June 29, 2022 and close October 1, 2022. Entry forms will be available on the IALHA website and Facebook page. I hope you will share your amazing Andalusian, Lusitano, or Half-Andalusian/Lusitano horse photos with the membership!

We love **sharing news about our members** and what they are doing with their IALHA horses! If you have a story that we can share, email marketing@ialha.org. Include a link to a post, and/or a photo along with any pertinent details – owner, rider, event, horse (name, breed, age, gender, sire, dam, breeder, etc) and any other brief description you'd like us to consider including. Then, be sure that you follow us on our social channels <https://www.facebook.com/ialha> and <https://www.instagram.com/ialharegistry/>!

Finally, you will also find member benefit information and reminders here in the Handbook as well, and on that note, **thank you for being an IALHA member.** It means that you are a part of a community who share your interest in, and admiration for Andalusians, Lusitanos, and their derivatives – a wide spectrum of people - from one-horse owners to large breeders, part time trainers to big show barns, youth to vintage, and those new to the breed to founding members. All are welcome and appreciated!

Sincerely –
Kaeli Dressler
IALHA President
